SWACHH BHARAT ABHIYAN COMMITTEE CONSTITUTION

INTRODUCTION

In India, it is observed that we are less concerned about cleanliness of our surroundings. Large mounds of dirt and garbage are found on our streets, lanes, parks, and other public places. We are being unhygienic and not concerned in keeping our surroundings clean and sanitized. Keeping in view the importance of maintaining a clean environment, the Swachh Bharat Abhiyan Committee has been formed in the college.

COMPOSITION

The Swachh Bharat Abhiyan Committee shall be constituted or re-constituted by an order of the Principal of the college. The Committee shall comprise of members of the teaching faculty and its composition shall be subject to change from time to time depending on the performance and outcome of the duties reposed upon it.

AIMS & OBJECTIVES

The Swachh Bharat Abhiyan Committee aims to accomplish various goals and fulfill the vision and mission of 'Clean India'. It aims to achieve a clean environment in and around the college campus and the locality as a whole. It aims to eliminate unhygienic practices and to promote a positive attitude towards healthy sanitation practices by introducing modern waste management, organizing awareness programmes, and undertaking cleanliness drives for healthy living for all.

The **objectives** of the Committee are:

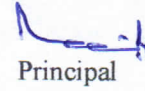

1. To make all the students aware of healthy sanitation practices by bringing behavioral change in the students.
2. To link the students and people with the programmes of sanitation and public health, in order to generate public awareness.
3. To provide a clean and required environment for all the students.
4. To provide neat and clean toilets for all the students of Public College of Commerce with proper water supply.
5. To bring about an improvement in the general quality of life by promoting cleanliness, hygiene and eliminating unhygienic practices.
6. To motivate communities to adopt sustainable sanitation practices and facilities through awareness creation and health education.
7. To encourage cost effective and appropriate technologies for ecologically safe and sustainable sanitation.
8. To develop, whenever required sanitation systems focusing on scientific solid and liquid

CONCLUSION

The Swachh Bharat Abhiyan committee of the college will motivate and encourage the concept of cleanliness among the students, teaching community and administrative support staff. At this stage, the student community can be shaped to be good citizens with a mindset to make the concept of 'Clean and green India' a reality and can be a benchmark to other institutions to emulate. The practice of cleanliness is on a regular and continuous basis as the concept of cleanliness leads to overall improvement of the credibility of any academic institution.
