Institutional Distinctiveness

The college at imparting quality education based on all round development, which focus not only on academic excellence but also in personality development, human values, environmental consciousness, leadership skills, spiritual growth, moral values and ethics, personal and interpersonal skills, social responsibility and community support besides other value education and soft skills. The college takes due initiative to ensure quality teaching, by all the faculty members and to deliver maximum possible for the benefit of the students by adopting topic wise explanation, problem solving, question paper solving, class task, continuous evaluation and giving enough opportunity for the students to make queries or clear their doubts. The institution, while realizing the need to equip the students with additional skills required for a commerce graduate, take due initiative to provide with computer skills by making the computer classes compulsory up to 4th semester; literary and communication skills by organizing literary competitions and peer-teaching,. To enable the students to possess the traits required to face the realities of life after college, The college, as a priority, provides career counseling and training by organizing career counseling programmes and coaching to outgoing as well as ex-students with resource persons from different areas and also by during the services of experts. Moreover, in keeping with objectives and vision, Public College of Commerce has always given priority to the education of underprivileged students to empower them.
